2. The procedure for reviewing this printout will require that either the Chief or Deputy Chief, ISB, contact Mr. [REDACTED] approximately 24 hours in advance to identify the contractors of interest and request he obtain the printout. Once the request has been made, interested ISB personnel will be able to review the printout at Headquarters (6B05). Due to the sensitivity OD&E attaches to this information, we will not be allowed to retain a copy of these printouts. (C)
